Applying for Scholarships

We have updated our systems and applying has never been easier!

Here at HCCF, applying for scholarships in the past meant researching all of our scholarships, filling out the same information on multiple applications, and providing duplicate references. We recognized this process has been a burden and time consuming for students as well as educators.

We have changed things for 2012. The first major change is the development of the Qualifier Workbook. This is a program where students answers “Y” or “N” to statements based on our scholarship criteria and input their G.P.A. They then print a results page to turn in with their application showing the word ‘Apply’ next to all the scholarships they qualify for based on their answers. Of course you can still see a list of all the scholarships and their criteria on the ‘Named Scholarships Available’ page.

Other major changes are that students now only submit a SINGLE application and set of recommendation forms, the application has been updated and is completed as an interactive .pdf, and educators may submit the recommendation form online.

HCCF / Kiwanis Golf Outing

This year’s event will be held at The Norwood Golf Club Tuesday, June 19th.

The format will be a Florida Scramble. Cash prizes will be awarded to the 1st and 2nd place teams. There also will be non-cash prizes awarded to the 3rd place team, “Longest Drive”, “Closest to Pin”, and winners of the Putting Contest and raffle drawing.

New for this year is the opportunity to register and pay your green fee and / or sponsorship donations online.

HCCF Community Impact Funds
“Making a Difference”

The gift that keeps on giving

Each year thousands of dollars are disbursed to local charities from our named permanent funds, which have been established in memory or honor of loved ones, or by donors themselves, to ensure support for what they value most in Huntington County. Each dollar granted from these funds is one dollar less that the receiving agency must fundraise, making fund contributions the best and easiest way to help now and forever. Also, fund grants must be applied as defined by the donor ensuring the gift is used the way the donor intended it to be. Visit us online to see a full list of these funds and the many organizations they support.

We also reach out through our Community Impact Fund by accepting applications twice a year for our “Make a Difference” grants. Recipients are selected by a committee of volunteer community members whose charge is to support those requests that best serve the community now and in the future. By partnering with and supporting local nonprofit agencies in this way we all are able to do more and have a greater impact helping those who need it while improving the quality of life in Huntington County.

The most important thing to remember is that gifts are given through the Foundation and not to the Foundation. Donations made today not only help now, but long after donors are gone their gifts live on. They continue to address the current needs throughout our community making Huntington County a better place to live and work for all generations to come.

New Donor Spotlight

Vera Deal had a passion for music, education and family.

Creating a legacy by pursuing these passions throughout her life, Vera showed her love of music as a violinist in the orchestra while attending Ball State and DePauw Universities. Her contributions to young people as an English teacher who always set high expectations of her students and her love of family demonstrated through how she raised three boys and encouraged her eight grandchildren to be the best they could be truly solidified her legacy.

Through her Will, Vera chose to continue this legacy by bequeathing a portion of her estate to the HCCF Community Impact Fund.

When discussing with her son, Tim, Vera’s motivation to make this contribution, he stated that his mother was impressed by the positive effect and county-wide impact of the “Make a Difference” and Classroom Education grants, both of which are awarded out of the HCCF Community Impact Fund.

Established Fund Highlight

The J. Ben Good Family Fund - Established April 2002

2012 marks a decade of annual grants benefiting five Warren area organizations:

- The Knight Bergman Center
- The Warren Theater Guild
- The Masonic Cemetery
- The Warren United Church of Christ
- The Warren Library
- The Masonic Cemetery

Ben was described as a man who went out of his way to help people. As his fund continues to make an impact year after year we can all agree with this quote from his obituary:

“He will be a lasting legacy in this community.”
