Unrestricted Funds

“Make a Difference” in Downtown Huntington.

Starting this winter, visitors to downtown Huntington will be welcomed by the newly remodeled and expanded Huntington County Visitors and Convention Bureau. The Huntington County Community Foundation provided a matching grant of $10,000 for the project, as well as an additional $5,000. The “Make a Difference” grant comes from the Foundation’s unrestricted funds. The project is underway and expected to be completed this winter.

“Thanks to the generosity of Vectren, we were able to match this gift from the Community Foundation,” said Rose Meldrun, Executive Director of the Visitor and Convention Bureau. “In addition to expanding our facility and restoring its exterior beauty, we are installing energy-efficient windows and other features that provide energy savings.”

“The Huntington County Community Foundation is proud to play a role in helping to beautify downtown Huntington,” said the Foundation’s Executive Director, Marcia McClelland. “The remodeled Visitor and Convention Bureau will be a real centerpiece and serve as a model for other historic buildings. We hope this will be a catalyst for preservation throughout our area.”
Huntington House Homeless Shelter Receives HCCF Grant.

A "Make a Difference" grant from HCCF unrestricted funds has been awarded to the Huntington House Homeless Shelter. The $3,500 grant will be used to purchase much-needed carpeting and linoleum for the shelter, which has not had new flooring since it opened in 1991.

Huntington House provides a stable environment for families that are without housing. Residents are required to take part in a self-sufficiency program, undergo weekly counseling, seek jobs daily and contribute to the operation of the shelter. The goal is to succeed in enabling 75 percent of adult residents to find a job and move into their own housing within 60 days.

With rising food and utility costs, Huntington House struggles to find enough funding. Increased support from individuals and organizations throughout Huntington County is required to keep this valuable resource in operation.

FACT: Since 1995, the Huntington County Community Foundation has awarded grants totaling more than $850,000.

HCCF Holds Non-Permanent Fund for Jeremy's Ride.

Jeremy Winkelman is an inspiration to everyone who lives with special needs. This past March, Jeremy, who has cerebral palsy, and his uncle, Stan Bippus, began a cross-country bicycle trip to demonstrate to kids with special needs that anything can be accomplished. The 3,100-mile trip began in San Diego on Easter Day and was scheduled to end in St. Augustine, Florida, when just a few miles from their goal, the pair were struck by a truck and Stan was seriously injured.

Donations to Jeremy's Ride are being held by HCCF in a non-permanent fund. These funds may be established by individual donors or non-profit organizations for specific charitable needs or short-term projects. Gifts to these funds are not permanently invested, but are paid out in full as the need is fulfilled or the project is completed.

This coming Easter, Jeremy and Stan plan to complete the final 24 miles of their ride, along with a group from a Jacksonville bike club and three of the doctors who treated Stan in Florida. The HCCF joins all those who wish them well and look forward to the completion of their trip.
Tis the Season

Donations may be made to the following funds at any time. Please make checks payable to the Huntington County Community Foundation. To learn more about any of these funds, please visit our website at: www.hccfoundation.com

Unrestricted Grant Supports Drive Alive

The Huntington County Community Foundation has awarded a $5,000 grant to the Huntington County Coroner's Office Drive Alive campaign. The grant is being used to promote safe driving habits among teenagers through a cable TV program and a guide booklet to be distributed in schools. The HCCF salutes the important work of Drive Alive in helping to reduce accidents by teen drivers. For more information about the campaign, visit www.huntingtoncountydrivealive.org.
